

**SUSTAINABLE DEVELOPMENT  
SOLUTIONS NETWORK**  
A GLOBAL INITIATIVE FOR THE UNITED NATIONS

# Join the SDSN

The **Sustainable Development Solutions Network** (SDSN) mobilizes global scientific and technological expertise to promote practical solutions for sustainable development, including the implementation of the Sustainable Development Goals (SDGs) and the Paris Climate Agreement.

## **SDSN's National and Regional Networks**

Spanning 6 continents, the SDSN network is comprised of over 1,400 member institutions, consisting of universities, research centers, civil society organizations, and other knowledge centers committed to supporting the implementation of the SDGs at the local, national, and global level.

## Membership Benefits | Free to Join

### Join a Global Network

Access to **SDSN Mobilize**, our vibrant members-only sustainable development community

Leverage SDSN expertise for teaching, research, and local/national sustainable development projects

Access top-tier experts and young professionals working in sustainability

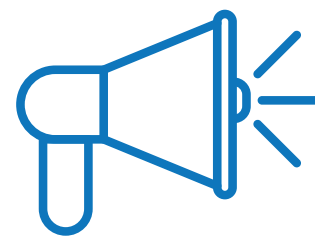

### Work With Us

Collaborate with the **SDG Academy**, **SDSN Youth**, **SDGs Today**, and **SDSN TRenDS**

Participate in annual SDSN events: **International Conference on Sustainable Development (ICSD)** and **Global Solutions Forum (GSF)**

Gain access to international processes such as the UN's General Assembly and Conference of the Parties (COP)

### Advocacy & Awareness

Elevate your voice and brand to a renowned academic audience

Contribute to SDSN publications to advance policy advocacy

Participate in actions for sustainable development around the world
